

AHLCON PUBLIC SCHOOL, MAYUR VIHAR-I, DELHI-91
PRIMARY WING (Academic Session-2019-20)
Summer Vacation Assignment
CLASS-V

13th May 2019

Dear Children,

It's HOLIDAY TIME!

Summer Vacation for classes III, IV & V commences from 18th May 2019. The school reopens on July 1, 2019. Enjoy, relax and have lots of fun during these holidays.

With a view to promote experimental learning and integrate art with the learning of other academic subjects some interesting projects / activities have been planned for you. During these holidays explore your talents, enhance your skill set, do something creative and get to learn a few things beyond the walls of your classroom.

To begin with:

- Visit new places and share your experiences with your teachers / friends when you get back to school.
- Watch special educational programmes for children on television.
- Extend a helping hand to your parents.
- Get enough sleep and rest.
- Go for outings and morning walks with your family and friends.
- Eat a balanced diet and play a lot.
- Take care of your surroundings and your environment.
- Learn some new skills like – cycling, skating, dance, anything you enjoy.
- Read story books.
- Adopt a plant in your neighbourhood.

HOBBY CORNER

❖ **Cover Page**

- On an A4 size pastel sheet design a cover page for your school diary.
- The cover page should be artistic, colourful and reflect some significant aspect of the school.
- The cover page should necessarily have the school logo, along with the school motto and a double line black border on all four sides of the sheet.

❖ **A House of your own-** Refer to page 42 of Science text book.

- Make a model of a hut or a house (on stilts). Use green and brown paper, a shoebox, empty matchboxes, cardboard, broomsticks and straw.
- Place the model in a tray containing some soil.
- Sow a few soaked coriander seeds and have a garden in a few days.

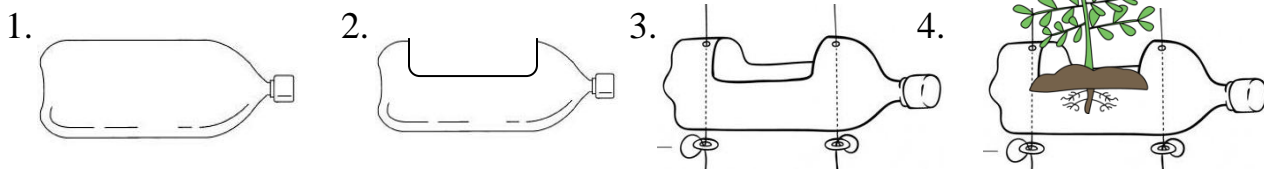

❖ **Hanging Garden of Plastic Bottle**

You need:

- Plastic Bottle - 1 ltr
- Cardboard – reuse some old cardboards boxes
- Some plants like morning glory, money plant
- Needle or any sharp object to make holes for strings
- Soil

Procedure:

- Remove the label
- Let the cap of the bottles be there to stop soil from falling.
- Poke small holes in the bottom of the bottle for drainage.
- Cut a rectangle in the middle of the bottle opposite the size of the holes.
- Line the inner sides of your bottle with cardboard strips leaving the holes clear.
- Mix little sand with soil and fill in the bottle.
- Plant the plants that you have kept to transplant.
